5. Upon entering into an agreement for the provision of any services by Flying Dress International, the customer has agreed to the terms and conditions as mentioned herein.

Dress International to collect payment via the payment method the customer specified.

7. Given the nature of the services provided by Flying Dress International at the said locations, Flying Dress International reserves the right to make changes either to the said location of the photoshoot (as per weather conditions) or to this site and any terms and conditions at any time.

8. For the avoidance of doubt, as an example a 30-min shoot is interpreted as: 5-mins dressing, 20-mins shooting and 5-mins redressing.

9. Hence given the outdoor nature of this service, Flying Dress International applies a strict no show policy/lateness penalty in particular should a session commence 15 minutes after the agreed scheduled time for commencement as a result of the failure of the customer to appear on time, such time will be deducted from the hourly session of time.

12. The copyright of the photos lies at all times with the Flying Dress International. The customer gives the photographer permission to use the photos taken by the customer for promotional purposes on the internet and in printed matter. The duration of the photo session is pre-agreed ahead of the shoot, in accordance to the package offering chosen by the customer.

16. If you are dissatisfied with something or do not like something, you should tell the photographer immediately. That gives us the opportunity to do something different. Complaints about this afterward are considered unfounded. It is not allowed to make recordings or take pictures during the session with your own telephone and/or camera unless agreed with the photographer beforehand.

17. For any photo session (any package), a deposit must be made to complete the booking. The balance of the payment is due on the day prior to the commencement of the photo session.
